RE: MUR 6957
Isadore Hall III
Inspiration and Hope for California
(IH for CA) Ballot Measure
Committee Controlled by Senator
Isadore Hall and David L. Gould in
his official capacity as treasurer

Dear Mr. Gould:

On August 19, 2015, the Federal Election Commission (the "Commission") notified your clients, Isadore Hall III and Inspiration and Hope for California (IH) Ballot Measure Committee Controlled by Senator Isadore Hall for California ("Ballot Measure Committee"), of a complaint alleging that they violated the Federal Election Campaign Act of 1971, as amended (the "Act"). At that time, we provided your clients with a copy of the complaint.

After reviewing the allegations contained in the complaint, your response, and publicly available information, the Commission on November 15, 2016, found reason to believe that Isadore Hall III and the Ballot Measure Committee violated 52 U.S.C. § 30125(e)(1)(B), a provision of the Act. Enclosed is the Factual and Legal Analysis that sets forth the basis for the Commission's determination.

Please note that you have a legal obligation to preserve all documents, records, and materials relating to this matter until such time as you are notified that the Commission has closed its file in this matter. *See* 18 U.S.C. § 1519.

In order to expedite the resolution of this matter, the Commission has authorized the Office of the General Counsel to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe. Pre-probable cause conciliation is not mandated by the Act or the Commission's regulations, but is a voluntary step in the enforcement process that the Commission is offering to your clients as a way to resolve this matter at an early stage and without the need for briefing the issue of whether or not the Commission should find probable cause to believe that your clients violated the law.

1404406110

170444006111
If your clients are interested in engaging in pre-probable cause conciliation, please contact Elena Paoli, the attorney assigned to this matter, at (202) 694-1548 or (800) 424-9530, within seven days of receipt of this letter. During conciliation, you may submit any factual or legal materials that you believe are relevant to the resolution of this matter. Because the Commission only enters into pre-probable cause conciliation in matters that it believes have a reasonable opportunity for settlement, we may proceed to the next step in the enforcement process if a mutually acceptable conciliation agreement cannot be reached within sixty days. *See* 52 U.S.C. § 30109(a), 11 C.F.R. Part 111 (Subpart A). Conversely, if your clients are not interested in pre-probable cause conciliation, the Commission may conduct formal discovery in this matter or proceed to the next step in the enforcement process. Please note that once the Commission enters the next step in the enforcement process, it may decline to engage in further settlement discussions until after making a probable cause finding.

In the meantime, this matter will remain confidential in accordance with 52 U.S.C. § 30109(a)(4)(B) and 30109(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public. Please be advised that, although the Commission cannot disclose information regarding an investigation to the public, it may share information on a confidential basis with other law enforcement agencies.¹

We look forward to your response.

On behalf of the Commission,

Matthew S. Petersen
Chair

12 **I. INTRODUCTION**

13 This matter was generated by a complaint filed with the Federal Election Commission
14 alleging violations of the Federal Election Campaign Act of 1971, as amended (the "Act"), by
15 Isadore Hall III, Hall for Congress f/k/a/ Hall for Congress Exploratory Committee and David
16 Gould in his official capacity as treasurer, and Inspiration and Hope for California (IH) Ballot
17 Measure Committee Controlled by Senator Isadore Hall and David Gould in his official capacity
18 as treasurer.

19 **II. FACTUAL AND LEGAL ANALYSIS**

20 Isadore Hall III became a representative in the California State Assembly in 2008 and
21 won a special election to the California State Senate on December 9, 2014.¹ On February 24,
22 2015, Hall filed a Statement of Candidacy with the Commission for California's 44th district
23 House seat.² He designated "Hall for Congress Exploratory Committee" as his principal
24 campaign committee ("Exploratory Committee").³ On January 14, 2016, the Exploratory
25 Committee filed an amended Statement of Organization renaming itself Hall for Congress
26 ("Federal Committee").

1 The Complaint alleges that Hall controls a California ballot measure committee that
2 accepted a \$4,100 corporate contribution from Anheuser Busch Companies, Inc., on March 2,
3 2015, in violation of 52 U.S.C. § 30125(e)(1)(B).⁴ The Complaint further alleges that two April
4 2015 contributions to the Ballot Measure Committee — \$3,500 from Viejas Tribal Government
5 and \$1,000 from Port PAC USA — also may violate the Act.⁵

6 The Response, filed in October 2015, acknowledges that Hall controls the Ballot Measure
7 Committee but denies that he violated the Act because Hall is not a federal candidate and instead
8 is merely “exploring” running for the House.⁶ The Response explains that consistent with his
9 exploratory phase, Hall maintains two campaign committees for the 2016 election, one federal
10 and one state.⁷ The Federal Committee “was [initially] established as an ‘Exploratory
11 Committee’ and is so named” because Hall has not decided which office he will seek.⁸ The
12 Response also asserts that Hall will not be a candidate for either office until he decides and “files
13 nomination papers,” which will not occur until early 2016.⁹ The Response reasons that because

⁸ *Id.* The Commission’s records show that Hall’s Federal Committee has been in existence since June 20, 2011. The original Statement of Organization identified Hall as a candidate for California’s 35th District House seat. *See* Committee Statement of Organization. (Hall also filed a Statement of Candidacy in 2011 for the 35th House District in California.) At the end of both 2012 and 2014, Hall’s Federal Committee reported about \$67,000 in cash on hand. It appears to have collected most of its contributions shortly after registering in 2011 and then made some expenditures and contributions to other committees. Its reports show minimal activity in the 2014 election cycle.

Hall is not a federal candidate, neither Hall nor the Ballot Measure Committee has violated the Act.¹⁰

A. Hall Became a Candidate in February 2015 but Timely Registered as a Candidate and Disclosed His Committee's Financial Activity

An individual becomes a candidate for federal office when he or she is deemed to have decided to run for office and receives or has received contributions or makes or has made expenditures in excess of \$5,000.¹¹ Funds that were raised or spent to “test the waters” apply to the \$5,000 threshold for qualifying as a candidate, and the candidate must register with the Commission.¹² After an individual reaches candidate status, all reportable amounts from the beginning of the testing-the-waters period must be disclosed on the first financial disclosure report filed by the candidate’s committee, even if the funds were received or expended prior to the current reporting period. The regulations define testing the waters activities as those activities “conducted to determine whether an individual should become a candidate” and include, but are not limited to, polling, telephone calls, and travel.¹³ Once an individual meets the \$5,000 threshold, he or she has 15 days to designate a principal campaign committee by filing a Statement of Candidacy.¹⁴ The principal campaign committee must then file a Statement

¹⁰ *Id.* Alternatively, the Response suggests that if the Commission decides that the Act applies to the Ballot Measure Committee, Hall and the Ballot Measure Committee “will immediately stop soliciting and accepting any funds that are not fully permissible under the ... Act and will promptly refund any funds received during the period deemed to be subject to the Act.” *Id.*

of Organization within 10 days of its designation, *see* 52 U.S.C. § 30103(a), and must file disclosure reports with the Commission in accordance with 52 U.S.C. §§ 30104(a) and (b).

Certain activities may indicate that the individual has decided to become a candidate and is no longer “testing the waters.” Commission regulations set out five non-exhaustive factors to be considered in determining whether an individual has decided to become a candidate. An individual indicates that he or she has gone beyond “testing the waters” and has decided to become a candidate, for example, by: (1) using general public political advertising to publicize his or her intention to campaign for federal office; (2) raising funds in excess of what could reasonably be expected to be used for exploratory activities or undertaking activity designed to amass campaign funds that would be spent after he or she becomes a candidate; (3) making or authorizing written or oral statements that refer to him or her as a candidate for a particular office; (4) conducting activities in close proximity to the election or over a protracted period of time; or (5) taking action to qualify for the ballot under state law.¹⁵ These regulations seek to draw a distinction between activities directed to an evaluation of the feasibility of one’s candidacy, as distinguished from conduct signifying that a private decision to become a candidate has been made.¹⁶

There is ample evidence in Hall’s reported public statements and materials available on his social media platforms that he became a federal candidate in February 2015. On February 18, 2015, Hall announced, “I’m running for the 44th Congressional district seat...”¹⁷ The

¹⁷ *See* Compl. at 1 n.2 (citing Laurel Rosenhall, THE SACRAMENTO BEE, *Isadore Hall to run for Congress*, Feb. 18, 2015).

1 Federal Committee's first filed report, the 2015 April Quarterly, discloses almost \$150,000 in
2 contributions, with \$22,400 reportedly received on February 17, the day before Hall's
3 announcement.

4 Hall's online presence further confirms that he became a federal candidate in February
5 2015. Hall's campaign website and logo state, "Isadore Hall for Congress," and the current
6 iteration of his website appears to have been operational as early as February 27, 2015.¹⁸ On
7 April 9, 2015, "Isadore Hall for Congress" published an ad on YouTube that ends with, "Join
8 Me," his campaign logo, and a partial disclaimer, "Isadore Hall for Congress."¹⁹ In a description
9 statement on his YouTube channel, Hall states in the first sentence, "Isadore Hall, III is a
10 candidate for California's 44th Congressional District."²⁰ Hall's Twitter feed has included links
11 to what appear to be campaign email solicitations and updates that refer to his "campaign for
12 Congress." He criticizes another announced candidate for the House seat, and other statements
13 include: "I'm running for Congress because I'm ready to fight in Washington ...;" and, "Since
14 launching my campaign for Congress several months ago, momentum has been growing every
15 day!"²¹

16 Accordingly, the Commission finds that Hall became a federal candidate on February 18,
17 2015, with his announcement and the Federal Committee's receipt of contributions in excess of

1 \$5,000 the day before.²² Hall's belief that he would not be a federal candidate until he chose
2 between a federal and state election is mistaken. The Act and Commission regulations expressly
3 contemplate federal candidates simultaneously running for state office.²³ The Commission notes
4 that despite Hall's apparent misunderstanding of the definition of "candidate" within the
5 meaning of the Act, Hall timely filed his Statement of Candidacy on February 24, 2015, and
6 designated his existing Exploratory Committee as his principal campaign committee.

7 **B. Hall Controls an Entity that Accepted a Corporate Contribution**

8 The Act prohibits federal candidates, their agents, and entities established, financed,
9 maintained, or controlled ("EFMC'd") by federal candidates from soliciting, receiving, directing,
10 transferring, or spending funds in connection with any election other than an election for Federal
11 office unless the funds are in amounts and from sources permitted by the Act.²⁴ The
12 Commission has concluded that all activities of a ballot measure committee that is directly or
13 indirectly established, financed, maintained, or controlled by a federal candidate are "in connection
14 with" any election other than an election for Federal office and, thus, subject to the Act's
15 restrictions.²⁵ The Act prohibits the making or receipt of direct contributions using corporate
16 funds.²⁶

²² 11 C.F.R. §§ 100.72(b)(3), 100.131(b)(3); Factual & Legal Analysis at 8, MUR 6449 (Bruning) (Commission found that solicitation stating "Please help me defeat Ben Nelson in 2012 by making a contribution today.... Together we can take back this country and bring true Nebraska values to Washington" demonstrated that Bruning had decided to run for Congress.).

1 The name of Hall's Ballot Measure Committee includes a representation that Hall
2 controls it, and the Response expressly concedes that fact.²⁷ On March 2, 2015, 12 days after
3 Hall became a candidate, the Ballot Measure Committee accepted a \$4,100 corporate
4 contribution.²⁸ Thus, Hall and the Ballot Measure Committee violated the Act by receiving
5 funds in connection with an election other than an election for Federal office from a prohibited
6 source. Further, the "state candidate" exception to 52 U.S.C. § 30125(e)(1)(B) that permits
7 concurrent state and federal candidates to receive and spend nonfederal funds "solely in
8 connection with *such* election for State or local office," does not apply by its terms to a ballot
9 measure committee.²⁹

10 Regarding the April 6, 2015, \$3,500 contribution from the Viejas Tribal Government, the
11 tribe appears to be a recognized Indian tribe and, thus, its contribution appears to be permissible
12 as to source and less than the \$5,000 applicable contribution limit.³⁰ The April 9, 2015, \$1,000
13 contribution from Port PAC USA, Long Beach, California, appears to be from an unregistered

candidate from raising funds for a ballot measure committee where the committee was not EFMC'd by a federal candidate and no federal candidates appeared on the same ballot.).

1 political committee. The Commission lacks sufficient information about the group to make a
2 finding about its contribution to the Ballot Measure Committee.³¹

3 Therefore, the Commission finds reason to believe that Isadore Hall III and Inspiration

5 Gould in his official capacity as treasurer have violated 52 U.S.C. § 30125(e).

HALL SURPASSES \$741,000 RAISED IN CA-44 BID

COMPTON, CA— Today, California State Senator Isadore Hall's campaign for Congress announced that it surpassed a significant fundraising benchmark— hitting \$741,695 raised for his primary election in California's 44th Congressional District seat. For the quarter, Senator Hall hauled in a sizable \$196,478 bringing his cash-on-hand to \$496,666.

Upon announcing the campaign's fundraising numbers, Hall's Chief Strategist John Shallman stated:

"Today's robust fundraising report represents a statement from voters in the 44th Congressional District that they want a Congress member from the district— not someone who has lived outside of it for over 20 years. It also demonstrates that residents in the 44th believe that Senator Hall— who has accomplished big changes to improve residents' lives like passing tough environmental protections such as SB 350, passing drivers licenses for undocumented individuals, the California DREAM Act, healthcare for undocumented children, investments in infrastructure, modernization and diversification efforts by the Port, job creation, and so much more—is the top choice of real people who vote in the district."

Just yesterday the Hall for Congress campaign rolled out the following video, titled "DREAM," [click here to watch, in](#) response to months of negative attacks by his opponent, Hermosa Beach City Councilwoman Nanette Barragan.

Her attacks have been sharply denounced by Congresswomen Janice Hahn and Karen Bass along with dozens of local leaders. The *Los Angeles Sentinel Newspaper* describes Barragan as "deceptive", "self-serving" and "disingenuous".

To view Barragan's original candidate profile video footage from Hermosa Beach TV's YouTube channel from September of 2013, [click here](#).

Underscoring some of the concerns regarding Ms. Barragan's out-of-district background, the *Los Angeles Sentinel Newspaper*, the oldest African American newspaper on the West Coast, also wrote the following in an Editorial:

"Watts, Compton and Inglewood don't have very much in common with Hermosa Beach where Nanette Barragan resides and the issues facing these communities are drastically different."

According to the Los Angeles County Registrar-Recorder, it wasn't until September 4, 2015 that Ms. Barragan registered to vote in California's 44th Congressional District. Also noteworthy, publicly available reports indicate a long timeline of possible residency records illustrating that Ms. Barragan likely hasn't lived within the 44th District for over 20 years.

ISADORE HALL

★ FOR CONGRESS ★

Dear Friend,

Since launching my campaign for Congress several months ago, momentum has been growing every day!

I'm proud to have received over 240 endorsements - from members of Congress, including Congresswoman Janice Hahn, state senators, and state assembly members, and from local elected officials, groups representing working families and women, and our public safety officials. We're off to a strong start on fundraising, raising more money than any other candidate so far.

But there's another important piece of the puzzle: you! People like you are the backbone of this campaign, and I'm asking for your support today.

Will you add your name as a supporter of my campaign today, and take a moment to share what issue you're most concerned about? Add your name here. >>

R!

From job creation and education to tackling the drought and combating gang violence to equal pay for equal work and immigration reform – there are a lot of big issues facing our district, our state, and our country. I'm ready to continue in Washington the work I've done in Sacramento fighting for working families.

I hope you'll take a second to say "I'm in for Isadore," and share your thoughts about the biggest issue facing our district. Add your name now. >>

Thank you,

Isadore Hall, III
